ENTERPRISE

The Omni Accounts Enterprise Bundle is a full featured business system suitable for businesses requiring sophisticated accounting controls with advanced management information.

PREMIUM

Omni Premium is the Omni Bundle with the most functionality (Switches). OMNI Premium is purposefully developed for large established businesses that require cutting-edge and sophisticated ERP and accounting controls. It is multi user ready.

Omni is "shipped" with over 300 standard reports? Just pay the difference & switch on!

Omni can import data from any PAYROLL PACKAGE that exports data as a CSV file! Just pay the difference & switch on!

Did You Know?

Unique. Omni allows you to customise your Omni bundle by selecting, activating, purchasing any additional Switches you require, over and above those available in the bundle you have purchased.

Find the right Solution

Configure a bundled package specially formulated for your company's needs.

Product Comparison

Omni makes it possible for all business types to easily and seamlessly upgrade through the complete range of Omni Modules and Switches.

Add Omni's Enterprise Resource Planning Features

Manufacturing: Including bill of materials, production batches and planning, and material requirement planning.

Job Costing: Suitable for short and long term jobs as well as internal costing and/or manufacturing.

Multi Branches & Warehouses: Including inter warehouse transfers and costing.

Multi Currency: No limit to the number of currencies that can be used.

Serial & Batch numbers on stock items: Applicable to purchases, manufacturing and sales, including shelf life and warranties.

Point of Sale: All you need to manage your shop front, as well as using Omni Accounts as your full back office.

Vehicle Loading & Scheduling: Ideal for companies that distribute goods to chain stores etc.

Contacts & Communication: Allows for any number of contacts, both internal and external, linking all with relevant information.
