Enterprise

The Omni Accounts Enterprise product is a full featured business system suitable for businesses requiring sophisticated accounting controls with advanced management information.

Premium

Omni Premium is the Omni product with the most functionality (Switches). Omni Premium is purposefully developed for large established businesses that require cutting-edge and sophisticated ERP and accounting controls. It is multi user ready.

Uniquely Omni Accounts allows you to configure your Omni Product by selecting, activating and purchasing any additional Switches you require, over and above those available in the Product you have purchased.

Find the right Solution
Contact us to help you to configure a Product package specially formulated for your company's needs.

Product Comparison
Omni makes it possible for all business types to easily and seamlessly upgrade through the complete range of Omni Products and Switches.
